

Cat Volunteering

Tasks include:

- 🐾 Cleaning the cattery including litter trays, pods and hallways
- 🐾 Preparing food and enrichment
- 🐾 Cleaning communal areas, meet & greet and catio where cats are taken for enrichment and to meet potential adopters
- 🐾 Comfortable with securing a cat into a carrier and transporting them safely across the site to different areas
- 🐾 Socialising cats who might need some extra TLC
- 🐾 Potentially be asked to help with the kennel side, if comfortable

What we are looking for in volunteers:

- 🐾 A knowledge of cats is desirable; however, we welcome applicants without prior experience, as we work closely with our volunteers to provide guidance and training on how to handle cats confidently and safely.
- 🐾 Volunteering in the rescue can be often quite hands-on role that can be physically demanding, so applicants should feel confident in their ability to handle the physical requirements involved.
- 🐾 Ability to work independently at times after full training from staff, adhering to our guidance and positive reinforcement ethos.
- 🐾 The ability to follow instructions as given by the team, this can be verbal or written. This can also mean following care/training plans.
